It is the intention of the parties to avoid filing unnecessary grievances. The parties shall attempt to resolve the Employee's problem prior to the filing of a formal written grievance.

SECTION 4.02 GRIEVANCE PROCEDURE

A. Step 1. Within ten (10) days after the event giving rise to the grievance, or within ten (10) days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved and if the employee desires, the Union Steward, may submit the grievance

in writing to the employee's Division Commander or designee. The Division Commander or designee shall attempt to adjust the matter and shall respond in writing to the employee within three (3) days.

B. Step 2. If the grievance has not been settled at Step 1, a written appeal signed by the employee and the Labor Relations Specialist may be filed with the Chief of Police within five (5) days after receipt of the Step 1 answer or after the answer was due. The Police Chief or the Police Chief's designee shall meet with the employee and the employee's accredited Union Steward within five (5) days of the receipt of the written appeal. Within five (5) days of hearing the grievance, the Police Chief shall answer the grievance in writing, giving a reason for the answer if the grievance is denied.

C. Step 3. If the grievance is not settled at Step 2, a written appeal signed by the employee and the employee's Union representative may be filed with the Hearing Officer within five (5) days after receipt of the Police Chief's written answer. Within ten (10) days thereafter, the Hearing Officer or designee shall meet with the employee and a committee including the employee's accredited Union Steward, the Union President and/or representatives of the Council and/or International Union. Within ten (10) days thereafter, the Hearing Officer shall answer the grievance in writing, giving a reason for the answer, if the grievance is denied.

D. Step 4. If the grievance is not settled at Step 3, the Union may request in writing arbitration, giving written notice to the Employer within ten (10) days after the answer of the Hearing Officer in Step 3 is due. SECTION 4.03 ONLY PROCEDURE

The provisions of the procedure shall be the only procedure applicable to employees covered by this Agreement for resolution of grievances as defined herein.

SECTION 4.04 AUTHORITY OF ARBITRATOR

Authority of the Arbitrator is limited to matters of interpretation or application of the express provisions of this Agreement and the Arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms or provisions of this Agreement.

SECTION 4.05 COPIES OF ANSWERS

The grievant, the Union President, the Labor Relations Specialist and the Council 3

Representative shall be provided copies of answers to grievances.

SECTION 4.06 ARBITRABLE GRIEVANCES

After notice to the officer in charge, Crossing Guard Unit, a Union Steward and aggrieved employee(s) shall be granted reasonable time off with pay during working hours where he/she is engaged in processing and investigating a grievance, provided, however, there is the least disruption of the Employer's operation.

SECTION 4.09 DISCHARGE, SUSPENSION OR DEMOTION

A grievance involving discharge, suspension or demotion may be initiated at Step 3 of the grievance procedure.

SECTION 4.10 TIME LIMITS FOR PROCESSING GRIEVANCES

Time limits for the processing of grievances are intended to expedite grievance handling and may be extended only upon mutual agreement. Failure of the aggrieved person, absent consent of the Employer to comply with the time limits imposed at each step of the grievance procedure, shall be construed as a forfeiture of the right to proceed further. Failure of the Employer to respond within the time limits at any step permits the aggrieved person to proceed to the next step of the grievance procedure.

ARTICLE 5 - UNION STEWARDS AND UNION REPRESENTATIVES

SECTION 5.01 RECOGNITION

A. The County recognizes and shall deal with the appropriate accredited Union Stewards, alternate Stewards, Labor Relations Specialist and Union representatives as designated by the Union. These activities shall be conducted without disrupting the work of any County employee who is not directly involved.

SECTION 5.02 STEWARDS

There shall be six (6) Stewards, at least one (1) from each designated district. A. The Employer agrees that during working hours on the Employer's premises, designated Union Representatives shall be allowed to:

2. Transmit communications, authorized by the Union, to the Employer or his representatives.
3. Consult with the Employer or his representative concerning the enforcement of any provisions of this Agreement.
4. Investigate and process grievances.

ARTICLE 6 - NON DISCRIMINATION

- A. The provisions of this Agreement shall be applied in accordance with applicable Federal, State and local laws with regard to discrimination on the basis of race, sex, sexual orientation, marital status, color, religious or political affiliation, country of origin, age, or disability. There shall be no discrimination against any employee on account of his/her membership or non-membership in the Union. The Union shall share equally with the County the responsibility for applying this Article.
- B. The provisions of this Article shall be subject to the negotiated grievance procedure. However, should the grievance procedure fail to produce a resolution of any grievance arising under this Article, the grievance shall not be subject to arbitration, but shall be referred to the appropriate governmental agency having jurisdiction.
- C. The County agrees to provide the Union with a reasonable number of copies of the Affirmative Action Plan. Additionally, the Employer will provide a copy of the Equal Employment Opportunity complaint procedure to an employee upon his/her request.
- D. Administrative leave shall be granted by the employee's Appointing Authority where an employee is subpoenaed to appear before a court, a public body, public agency or commission on matters relating to this Article.

ARTICLE 7 - SENIORITY

The seniority list for employees is attached hereto as Attachment B and thereafter new employees will be added to the list as of the employee's class entry date, that is, from his/her date of hire as a permanent, part-time crossing guard.
- B. Seniority shall only be interrupted by a break in continuous service as listed below:
1. Voluntary resignation.
 2. Retirement.

3. Discharge for just cause.

4. Failure or refusal to return to work within ten (10) calendar days after being recalled from layoff by certified or registered mail addressed to the employee's last known address shown on the employee's personnel record.

5. Absence of three (3) consecutive workdays without reporting to the County unless the employee can establish justification for such failure to report.

6. Disability termination.

C. Seniority shall continue to accrue during all leaves as specified in this Agreement or any other approved leave.

D. The department shall furnish the Union an updated seniority list as of December 31 of each year, and upon request, an updated seniority list shall be furnished by the department as of June 30 of each year.

E. The department shall furnish the Union with a separate listing as of September 30 and March 31, of any new employees hired in job titles represented by the Union.

ARTICLE 8 - WORK ASSIGNMENTS

SECTION 8.01 REGULAR ASSIGNMENTS

A. The Employer will make reasonable efforts to schedule work assignments so that the employees covered by this Agreement are paid a minimum of four (4) hours a day. The following is the daily regular assignment pay schedule for crossing guards:

1. One (1) Crossing Assignment -- One and one-half (1 ½) hours at their hourly rate of pay.
2. Two (2) Crossing Assignments -- Two and one-half (2 ½) hours at their hourly rate of pay.
3. Three (3) Crossing Assignments -- Four (4) hours at their hourly rate of pay.
4. Four (4) Crossing Assignments -- Five (5) hours at their hourly rate of pay.
5. Five (5) Crossing Assignments -- Six and one-half (6 ½) hours at their hourly rate of pay.
6. Six (6) Crossing Assignments -- Eight (8) hours at their hourly rate of pay.
7. Seven (7) Crossing Assignments -- Nine (9) hours at one and one-half (1 ½) their regular rate of pay.

B. It is recognized, however, that the following principles will be adhered to:

1. Each such employee receives a permanent assignment.

2. Except for regular crossing guards hired on or after May 1, 1995, employees will be reassigned to their permanent assignments (up to five (5) hours a day for employees with twenty

(20) or more years of service and up to four (4) hours a day for employees with less than twenty (20) years of service) on a year-to-year basis so long as the reassignment is consistent with school schedules and other operational needs.

3. If the paid hours of an employee's assignment exceed five (5) (twenty (20) or more years) or four (4) (under twenty (20) years) per day, any of the excess hours may be reassigned to another employee covered by this Agreement whose permanent assignment consists of less than four (4) paid hours, so long as the reassignment is consistent with school schedules and other operational needs.

4. Any permanent crossing guard hired on or after May 1, 1995, must be available to work a minimum of four (4) hours a day, that is, work at least three (3) crossing assignments, which specifically must include at least one morning and one afternoon crossing, if they are available.

SECTION 8.02 GENERAL PROCEDURE FOR FILLING VACANCIES

A. By May 15 of each year, letters will be delivered personally or sent by mail to all employees to indicate whether they shall return the following school year to resume their duties or to resign same. A supervisor or designee would follow up verbally to ensure the communication was delivered/received. Any employee not responding by close of business May 31 each year will have her/his crossings placed on the bid list and will lose their place in seniority that bid year; also, she/he will be placed last in order of seniority to bid. In the case of more than one employee not returning their form, the original Seniority List will be used to place those employees in order. The employer will deliver Relinquish Forms sent by mail to the employees at least fifteen (15) days prior to the first day of public school. This form will be included in each employee's Summer Packet. All School Crossing Guards will receive a current list of vacant crossings created by employees who are known to be retiring and resigning. Returning employees with assignments in excess of five (5) hours (twenty (20) or more years) or four (4) hours per day (under twenty (20) years) during the current school year will also specify any of their hours in excess of five (5) hours (twenty (20) or more years) or of four (4) (under twenty (20) years) to be placed on the bid list for the following school year. Employees may also voluntarily relinquish at that time any or all of their permanent assignments for placement on the bid list. Any guard who begins the bidding process with less than five (5) assigned hours (twenty (20) or more years) or four (4) assigned hours (under twenty (20) years) due to his/her voluntary surrendering of one (1) or more permanent hours will bid at Stage One. Any twenty (20) or more years guard with five (5) hours that will not be bidding but wants to be considered for any of the remaining crossings should inform the supervisor on their relinquish forms.

B. Replies (Relinquish Forms), must be received within two (2) weeks following the receipt of this form. Any employee not responding by the specified date located on the Relinquish Form will have her/his crossings placed on the bid list and will lose their place in seniority that bid year, also she /he will be placed last in order of seniority to bid. In the case of more than one employee not returning their form the original Seniority List will be used to place those employees in order. All relinquish forms shall be submitted by employees in sealed envelopes with the School Crossing Guard's name printed and signed on the front by the employee. The Department will maintain the relinquish forms in confidence before the bid list is prepared.

C. The list of all vacancies for the following new school year, commonly called the bid list, will be reviewed by the Union prior to the final draft of the bid list being sent to the employees. The final draft of the bid list shall be personally or sent by mail to all employees not later than the end of September. A supervisor or designee would follow up verbally to ensure the communication was delivered/received. New hires may not bid until their probationary period is up, six (6) months after their hire date, unless their probationary period is extended. If the probationary period is extended, new hires may not bid until they have successfully completed any and all terms of the probationary status. No changes in the bid list will be allowed on the day the bidding takes place. A joint committee consisting of an equal number of management and union members shall oversee the bidding process. If management and/or the employee objects to a crossing selected within the bidding process due to time restraints, both parties will seek alternate resources (i.e. Google maps, GPS) to determine adequate arrival time. Notwithstanding, management will have final decision regarding the employee's assignment. The bidding and assignment of school crossings for the new year will take place by means of a two-stage process on the last Saturday in September. New assignments will start on the third (3rd) Monday after the bidding process is completed.

1. Stage One. Individual personal meetings (envelope bidding shall be accepted only for crossing guards on approved medical or bereavement leave as defined in Article 14 of the Collective Bargaining Agreement) with each permanent, part-time crossing guard and the supervisory staff will be scheduled in descending order of seniority for those crossing guards whose permanent assignment for the following year will be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily. At the request of the Union President, a designated Union representative may be present during the Stage One meetings and will be furnished with a bid list. Those guards will bid on vacancies on the bid list and the employer will attempt to make a permanent assignment of five (5) hours (twenty (20) years or more) or four (4) hours (less than twenty (20) years) per day for the following school year in accordance with Section 8.01, above. As mentioned above in Section 8.01, B.4., all guards hired on or after May 1, 1995 as a permanent, part-time crossing guard (as distinguished from a "relief," "temporary" or "1000 hour") must first take at least one morning and one afternoon crossing, consistent with school schedules if suitable crossings are available, as part of his/her permanent hours. At the end of Stage One, all guards with twenty (20) or more years will have had the opportunity to bid for five (5) permanent hours. All guards with less than twenty (20) years will have had the opportunity to bid for four (4) permanent hours.

2. Stage Two. All permanent school crossing guards with less than twenty (20) years of service will be scheduled for individual meetings with the supervisory staff in descending order of seniority. At the request of the Union President, a designated Union representative may be present during the Stage Two meetings and will be furnished with a bid list. They will bid on remaining vacancies to increase their assigned hours to five (5) hours per day for the following school year.

3. If a guard does not select a permanent assignment of at least four (4) hours, he/she will be given a suitable assignment (or assignments) selected by the officer in charge from the crossings left on the bidding sheet to accommodate the required four (4) hours. Self-imposed limits (for example, all afternoons, mornings, extra jobs, etc.) will not make an otherwise

suitable crossing unsuitable. The term "suitable crossing" means one that is available at a location with a commute that will not conflict with other previously selected crossings (any crossings located in Prince George's County).

4. After choosing a fifth (5th) hour during either Stage One or Stage Two, the crossing guard will be asked if he/she is willing to accept (an) additional crossing(s) from crossings that may remain unassigned at the end of Stage Two. Their names, along with the twenty (20) years or more guards that requested it on the relinquish form, will be placed on a list in descending order of seniority. If any crossing on the bid list has not been selected by the end of Stage Two, the department will make those assignments first from those on the list in descending order of seniority. If any crossings remain unassigned after that, the department will make those assignments with school crossing guards whose permanent assignments are less than four (4) hours per day in ascending order of departmental seniority and subsequently by guards working four (4) hours or more in ascending order of seniority.

D. Appointment to fill any vacancy shall be made by selecting the employee with the greatest departmental seniority who is qualified to fill the vacancy. The County shall be the sole judge of employee qualifications.

E. By the close of their meetings, each crossing guard will be informed of his/her crossings for the upcoming school year and they will subsequently be confirmed in writing by the department. The effective date of the new assignments will be the third (3rd) Monday after the bidding process is completed. There will be no trading of assignments before or after the bidding has been completed. A listing of all assignments will be subsequently forwarded to the Union.

F. A vacancy is a permanent opening of an established crossing that has been vacated by a permanent, part-time employee via termination, transfer, retirement, promotion or any other related reason for permanently leaving. Any newly opened crossings after the relinquish forms have been turned in (for example, open as a result of a summer quit or a survey) will be placed on the bid list for the subsequent school year. All vacancies, including new openings and reopened crossings, occurring after the bid and assignment process for the new school year until the beginning of the following school year shall not be subject to the bid and assignment process described above. The department will attempt to fill these vacancies first with school crossing guards whose permanent assignments are less than four (4) hours per day in descending order of their seniority, and subsequently by guards working four (4) hours or more in descending order of seniority. The name(s) of the employee(s) selected for the assignment(s) will be posted in the Crossing Guards Office, and a copy of the notice will be sent to the Union President. Any Crossing Guard who believes he/she was entitled to that crossing based on seniority should discuss the matter with his/her supervisor. If the matter is still unresolved after discussion with the supervisor, the employee may file a grievance pursuant to Article 4.

G. If temporary guards are not available for relief status work, then relief assignments for the extra hours will be given where possible to guards who have placed their names on a list of guards willing to take such relief assignments with priority given to guards with four (4) hours, then five (5) hours, and so forth. Relief assignments will be divided into crossings and shared where it is reasonable to do so. A copy of this list will be forwarded to the President and Labor

Relations Specialist annually at least two (2) weeks after the bidding.

H. Although the safety of the citizens and school children must be the primary consideration, the County will generally not order a permanent guard to accept additional assignments which cause excessive inconvenience or hardship to the employee. This provision is not to be construed as to grant the employees the right to refuse a direct order.

SECTION 8.03 JOB LOSS DUE TO SCHOOL CLOSING OR SCHOOL TIME CHANGES

A. Employees whose permanent assignment will result in less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) per day because of an announced school closing or time change in the following year shall participate in Stage One of the bid and assignment process as described in Section 8.02, C.1., above.

B. In the event that a school crossing is permanently closed during the school year that results in a permanent, part-time crossing guard's assignment to be less than five (5) hours (twenty (20) or more years) or four (4) hours (less than twenty (20) years) daily, the affected employee shall be allowed to select a comparable crossing from one covered by a guard less than 20 years first, then guards in reverse order of seniority under 20 years first. If a crossing suitable to the affected employee cannot be found, the affected employee must make a selection from the excess hours of a less senior employee. The affected employee shall review six and one-half (6 1/2) hour assignments (in reverse order of seniority) from guards under twenty (20) years first, then six and one-half (6 1/2) hour guards with twenty (20) years or more.

C. If a suitable assignment is not found, the affected employee would then review crossings of guards (in reverse order of seniority under twenty (20) years) making a selection from crossings that were assigned by Management. If a suitable crossing still has not been selected by the affected employee, then and only then, would the fifth (5th) hour received during the bid process be reviewed. This also would be done in reverse order of seniority reviewing crossings of guards under twenty (20) years. If the affected employee is unable to select a comparable crossing after reviewing all options, he or she forfeits the right to make a selection. In such a case, the final determination on the selection of the crossing(s) required to give the employee four (4) hours daily (that is, three (3) crossing assignments) shall be made by Management. Employees losing excess hours as a result of another employee claiming them to maintain their hours shall have the right to regain the crossing under Stage Two of the bid process.

D. All selections made by displaced crossing guards must be approved by Management. In the event that the crossing selected as a replacement by the displaced employee is not practical (within appropriate time frame or distance) approval for the selection may be denied.

E. Whenever possible, guards will be given two (2) full weeks' notice prior to the closing of a crossing, or as soon as change is known by Management.

F. Management shall notify individual School Crossing Guards of any change in school time two (2) weeks prior to opening of school, or as soon as change is known by Management.

SECTION 8.04 SPECIALTY ASSIGNMENTS

Special assignments, as determined by the County, will be made by seniority when possible. This would include any available alternative work assignment that the County determines is available during those time periods when schools are scheduled to be closed. A volunteer sign-up sheet will be posted on the first day of school each year for thirty (30) days that will be used for consideration when making specialty assignments throughout the school year. This sign-up sheet will also be made available at the back to school night. In addition, only newly hired permanent employees hired after the thirty (30) day posting period will be afforded the opportunity to sign up after the posting period. The Union President will have regular access to this list, and assist the County when tracking and determining the fair distribution of special assignments on this list.

SECTION 8.05 SCHOOL LOCKDOWNS

In the event a school is placed in lockdown status, once informed, the appropriate sworn unit supervisor or his or her designee, will immediately notify the Crossing Guard supervisor who will immediately notify the school crossing guard(s) to vacate their post. If the employee has other assignments, the employee shall move to the next assignment during the lockdown.

SECTION 8.06 BACK-TO-SCHOOL MEETING AND ANNUAL IN-SERVICE TRAINING

All employees covered by this Agreement who attend the required back-to-school meeting and/or the annual in-service training meeting shall receive three (3) hours pay at their regular rate of pay as compensation. At the conclusion of the in-service training meeting, the Union shall be given up to 45 minutes to discuss issues and meet with members without management representatives in the room.

SECTION 8.07 CPR

Since it is mandatory by the Police Department that all guards must be certified in CPR every two (2) years, where possible, classes for CPR will be scheduled during the school year during the day, Monday through Friday. Mouth apparatus will be provided to each guard and replaced when needed. Employees who provide proof of certification from a training company or agency that is acceptable to the Employer will not have to retake CPR training. The Employer will not withhold acceptance of such certification unreasonably.

SECTION 8.08 UPDATED CHANGES

As permanent changes occur, the Department will furnish the Union every two (2) weeks (if necessary) on paydays with updated lists of work locations, times and assigned employees where there is a change that effects the bargaining unit.

SECTION 8.09 DRUG TESTING

Drug testing will be done according to the rules and procedures governing Police Department

employees, except that School Crossing Guards who are notified to take a drug test will be paid for a minimum of four (4) hours if such test is taken during their off-duty time. Testing results will be maintained in confidence. Drug test notification will be made no earlier than by the completion of the Employee's first assignment of the day.

SECTION 8.10 TEMPORARY ASSIGNMENTS

A. Employees who are required by the Appointing Authority or his/her designee to perform the majority of the duties of a higher job classification for at least ten (10) days shall be compensated starting with the first day at the rate of the higher job classification. No employee shall be required to perform such work for more than one hundred twenty (120) days in any one calendar year.

B. The County shall not schedule work to intentionally circumvent the provisions of this Article.

SECTION 8.11 SCHOOL CLOSURES

In the event that a school is closed due to an emergency or unforeseen event, members of the bargaining unit that are unable to perform their job duties because there are no other assignments available at that time, will be placed on administrative leave with pay until they can be assigned alternative work.

ARTICLE 9 - HOLIDAY ADMINISTRATION

SECTION 9.01 ELIGIBILITY REQUIREMENTS

Employees covered by this Agreement are eligible for holiday pay provided they are in a pay status during the scheduled workdays occurring immediately before and immediately after the holiday. An employee is in a pay status on any given day if the employee has worked the full day or has taken approved annual or sick leave on that day.

SECTION 9.02 HOLIDAY PAY

Employees who perform no work on a holiday shall be paid for their normal workday at their regular hourly rate of pay. Any additional corners assigned after the bidding process that have been worked ten (10) consecutive days shall become a part of the employee's normal work schedule for the purpose of holiday pay.

SECTION 9.03 HOLIDAY WORK

If the employee is required to work a holiday, the employee shall be compensated at the rate of two (2) times the employee's normal hourly pay for each hour worked and will not receive holiday pay as provided in Section 9.02, above.

SECTION 9.04 HOLIDAYS RECOGNIZED AND OBSERVED

The following days shall be recognized and observed as paid holidays: Thanksgiving, County

Employees' Appreciation Day, Christmas, New Year's Day, Washington's Birthday, Good Friday, Easter Monday, Police Memorial Day, Memorial Day, Juneteenth Day (if the academic year is still in session), Labor Day, Native American Day, Rosh Hashanah*, Martin Luther King Jr.'s Birthday, General Election Day, in which Congressional Representatives are elected, Veteran's Day, Teachers' Convention Day and the first full Professional Development Day in both the Fall and the Spring semester. *The County will recognize Yom Kippur as an alternative holiday if the schools are open on Rosh Hashanah but closed on Yom Kippur.

ARTICLE 10 - INCLEMENT WEATHER AND HIGH SCHOOL GRADUATION PAY

- A. Employees who are unable to work because all schools are closed for the entire day due to extreme inclement weather conditions will receive pay for their permanently assigned hours for up to five (5) inclement weather days during the school year.
- B. In the event that the number of inclement weather days used in any school year exceeds five (5), the employee shall be given the option to use annual leave time in order to receive a regular paycheck. Should any member of the bargaining unit have unused inclement weather days at the end of the school year, unused days shall be converted to sick leave on a two-for-one basis, that is, two (2) hours of unused inclement weather time converts to one (1) hour of sick leave.
- C. Employees who are unable to work because of high school graduation will receive their regular pay for that shift.

ARTICLE 11 - ANNUAL LEAVE AND VACATIONS

SECTION 11.01 EARNED ANNUAL LEAVE

- A. Bargaining unit employees with up to four (4) years of service shall earn one and one-half (1 1/2) hours of annual leave for every twenty (20) hours reported. Employees with four (4) through fifteen (15) years of service will earn annual leave at the rate of two (2) hours for every twenty (20) hours reported. Employees with fifteen (15) or more years of service will earn annual leave at the rate of two and one-half (2 1/2) hours for every twenty (20) hours reported.
- B. A maximum of three hundred sixty (360) hours of accumulated annual leave may be carried over by employees covered by this Agreement. Any annual leave in excess of three hundred sixty (360) hours will be converted to sick leave at the end of the leave year.

SECTION 11.02 RATE OF PAY FOR ANNUAL LEAVE

The rate of pay while an employee is on annual leave shall be the employee's regular straight time rate of pay in effect for the employee's regular job on the day immediately preceding the employee's leave.

SECTION 11.03 CHOICE OF ANNUAL LEAVE

Annual leave shall be requested as far in advance as possible; and acted upon within five (5)

working days after the request; provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

SECTION 11.04 PAYMENT FOR ACCUMULATED ANNUAL LEAVE UPON TERMINATION OF EMPLOYMENT

An employee who terminates employment after at least ninety (90) days of service shall receive, at the time of final separation, a lump sum payment of all annual leave accrued.

SECTION 11.05 PAYMENT FOR ANNUAL LEAVE AT THE END OF THE WORK YEAR

A. Each employee may elect to be paid at the end of the work year, and at the appropriate annual rate for up to three hundred sixty (360) hours of his/her annual leave accrued through the pay period in which April 30 falls. The Employer will make reasonable efforts to distribute annual leave payment checks at the same time that the last paychecks for the school year are distributed. In lieu of payment for their annual leave at the end of the school year, employees may elect to carry over all or a portion of their accrued annual leave balances to the following school year. Employees who wish to carry over annual leave must notify the Police Department, in writing, of the amount of annual leave they wish to carry over before April 30 of each year.

B. Annual leave checks will be distributed one pay period after the last paycheck for the school year.

SECTION 11.06 SICK AND ANNUAL LEAVE DISPOSITION UPON SEPARATION

A. The annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, with proper notice of separation as determined by the employee's Appointing Authority, be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).

2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.

3. Except in the case of an employee who is entitled to credit for sick and annual leave balances under the terms of an applicable County sponsored pension plan, the employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following limitation:

The maximum total amount of annual leave eligible for cash payment upon separation shall be the amount of remaining accumulated leave earned as of the end of the last full pay period in Fiscal Year 1996, or three hundred sixty (360) hours, whichever is greater.

4. For all or any portion of the employee's sick leave balance earned as of the end of the last full pay period of Fiscal Year 1996, the employee may elect to receive cash payment in an amount equal to the total number of unused sick leave hours multiplied by one-half (1/2) of the employee's base hourly rate of pay as of June 30, 1996. Sick leave earned beginning the first pay period of Fiscal Year 1997 is not subject to cash payment to the employee upon separation. Any employee who is entitled to credit for sick and annual leave under the terms of an applicable County sponsored pension plan will only be entitled to receive cash distribution for leave balances in accordance with the terms of the applicable pension plan.

5. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

6. Notwithstanding any provision in this Section to the contrary, an employee who has been separated from employment under a separation-disability action pursuant to Section 16-189 shall forfeit any sick leave hours accumulated at the time of the employee's separation.

7. Upon retirement, an employee shall be entitled to receive credit on an actuarial equivalent basis for unused sick leave for which an authorized cash payment has not been elected as creditable service in accordance with the applicable provisions of the State Personnel and Pension Article, Annotated Code of Maryland, and the terms of any applicable County-sponsored pension plan.

SECTION 12.01 EARNED SICK LEAVE

Bargaining unit employees shall earn one (1) hour of sick leave for each twenty (20) hours reported.

SECTION 12.02 ACCUMULATION

There shall be no limit on the amount of sick leave an employee may accumulate.

SECTION 12.03 USE OF SICK LEAVE

Sick leave shall be allowed in case of actual sickness or disability of the employee which incapacitates the employee so that the employee is unable to perform the regular duties of employment; or of actual sickness or disability of a member of the employee's household or illness of the employee's family outside of the employee household (provided the term "family" shall include those persons listed in Article 14 (Bereavement Leave), below); or because of necessary employee appointments with physicians, dentists, or optometrists. The Employer may

require proof of the reason for which sick leave was taken when the Employer has reasonable cause to believe that an employee may be abusing sick leave privileges. Prior to that, the employee will be given verbal or written notice that the employer suspects leave abuse.

SECTION 12.04 REQUESTS FOR SICK LEAVE

- A. Request for use of sick leave for physician, dentist, or optometrist appointments shall be made to the Employer in advance. Request for sick leave in all other cases shall be made in advance whenever it is possible. For morning assignments, notifications must be made starting at 6:00 AM and no later than 6:20 AM. For afternoon assignments, notifications must be made no later than 12:45 PM and time should be adjusted for early dismissals of the employee's workday.

- C. Employees covered under this Agreement, who provide up-to-date medical documentation (biweekly) stating that the employee cannot perform their regular assignments will be provided light duty assignments when such assignments are available within the Department.

SECTION 12.05 SICK LEAVE BANK

- A. The Union shall have the right to establish and maintain a sick leave bank. The sick leave bank shall be funded through voluntary donations of sick or annual leave by employees covered by this Agreement. This leave may then be transferred from the bank to the sick leave account of another employee covered by this Agreement with a zero (0) leave balance (annual and sick). Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for bereavement leave under Article 14.
- B. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

international conventions. These conventions are held in alternate years. If the scheduled convention or conference exceeds four (4) or five (5) days, as the case may be, use of annual leave may be granted to fulfill attendance requirements. Approval of annual leave will not be unreasonably withheld. All time spent during non-working hours on Union business by an employee while attending meetings scheduled by the County, to which the employee was specifically invited to attend, shall be compensated with compensatory leave at the straight time rate.

Additionally, employees covered by this Agreement shall be approved for not more than seven (7) days union leave per calendar year to attend official Union sponsored training classes.

C. Up to five (5) members of the negotiating team will be excused from their work assignment to attend contract negotiations and be placed on administrative leave that day so they will suffer no loss of compensation.

D. On days of negotiations, employees will be granted sufficient compensatory leave to make up the difference between eight (8) hours and the hours the employee would otherwise be in a paid status.

E. Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the County may apply for approved leave without pay. Such applications must be made not less than ten (10) working days prior to the beginning of such leave and such leave shall be at least one (1) calendar year in duration but not longer than (2) years duration. Granting approved leave without pay rests in the discretion of the Employer but such approval shall not be unreasonably withheld. Such leave may be renewed or extended for a similar period of time by mutual agreement.

The request shall state the reason the leave of absence is being requested and the approximate length of time off the employee desires. When the leave of absence is approved, authorization for a leave of absence shall be furnished to the employee by the Employer in writing. - C. The Employer shall have the right to discipline, by way of discharge or otherwise, any employee who participates in an illegal strike; and such disciplinary action shall not be subject to the Grievance Procedure provided for in this Agreement.

ARTICLE 23 - MANAGEMENT RIGHTS

Nothing in this Agreement shall affect the right of the Employer to determine the standards of service offered the public; to maintain the efficiency of the Employer's operations; to determine the methods, means, and personnel by which the Employer's operations are to be conducted; to direct the work of its employees; to hire, promote, demote, transfer, assign and retain employees in positions; to discipline, suspend, or discharge employees for just cause; and, to relieve employees from duty because of lack of work.
